WILL BE READY TO DIE.

Backward, turn backward, oh, time, in your flight;  
Feed me on grain again just for tonight.  
I am so weary of sole-leather steak,  
Petrified biscuits and vulcanized cake;  
Oysters that sleep in watery bath,  
And butter as strong as Goliath of Gath.  
Weary of paying for what I can't eat,  
Chewing up rubber and calling it meat.  
  
Backward, turn backward, how weary I am;  
Give me a swig at grandmother's jam;  
Let me drink milk that hasn't been skinned,  
Let me eat butter whose whiskers are trimmed;  
Let me once more have an old-fashioned pie.  
Then I'll be ready to curl up and die.

### BRUTALLY ASSAULTED

Ex-Maysville Man Badly Injured By  
Toughs at Charleston

Mr. Elgin Smoot, who has been located in  
Charleston, W. Va., for some time, met with a  
serious and unfortunate mishap.

While on his way to supper about 6 o'clock  
the other evening he was assaulted from behind  
by three men.

As he turned to face his assailants he was  
struck with a bludgeon above the eye and  
knocked insensible.

He was conveyed to his hotel, where he re-  
ceived medical attention.

Sunday he came home, and after an examination  
by his brother, Dr. P. G. Smoot, it was de-  
cided that he should go at once to Cincinnati  
and have the injured eye removed in order to  
save the sight of the other one.

He was accompanied to the city by Dr. Smoot,  
where he underwent a delicate and painful  
operation in the removal of the injured member,  
and is now in the care of the surgeon in that city.

Mr. Smoot recognized his assailants, and their  
conviction for the cowardly and dastardly as-  
sault is only a matter of time.

The penalty certainly will send them to the  
Penitentiary.

I was not present, and did not hear the statement, but I am credibly informed that Dr. J. ALLEN DODSON, member of Council from the

"SHOOT THE GRAFTER."

The Maysville Newspaperman as viewed from Councilman Dodson's standpoint.

Second Ward, and Secretary of the Street Paving Committee, at the last meeting of Council, said that he, or his Committee, felt that THE LEDGER and The Bulletin had charged an "exorbitant" price for printing the voluminous Street Paving Ordinance—that the same work was done at Ashland, or Huntington, or somewhere, for about \$40 or \$60, or words to that effect. This, very naturally, would lead the public to believe that both the Maysville papers were "grafters," whether the speaker intended to convey such meaning or not.

I have had some little practical experience in printing, covering a period of more than fifty years, and promptly took exception to the gentleman's statement. Not content to rely upon my own judgment, however, as to the utter absurdity of the claim that "the same work," or anything akin to it, had been done by papers elsewhere for \$40, or \$60, or any like sum, I wrote to Colonel GEORGE F. FRIEL, Editor and Manager of The Ashland Independent, which printed the Street Paving Ordinances for that city, telling him of Councilman Dodson's allegation as to cost; and here's his reply—

ASHLAND INDEPENDENT PUBLISHING CO.,

ASHLAND, KY., May 17th, 1906.

Colonel Thomas A. Davis, Maysville, Ky.—Dear Sir: In reply to your favor of the 15th inst. allow us to say that our advertising against the city of Ashland for the month of March amounted to over \$800. It was all charged up at the rate of 25 cents per inch per insertion, and set in 8-point machine type.

They only run the ordinances one time here, and this probably accounts for the supposedly low rate.

You are at liberty to use our communication in any manner you may see fit.

Command us any time. Fraternally yours,

G. F. FRIEL.

For the benefit of Mr. Dodson, and all who care to possess technical knowledge along that line, I will explain that the ordinance as published in THE LEDGER and The Evening Bulletin was set in 6-point type leaded, 9 lines to the inch. It made a total of 144 inches, and was printed 6 times, making in the aggregate 864 inches, which was charged at 25 cents per inch—\$216.

W. E. STALLCUP, Mayor.

VOGEL, BAUER & KLIPP,

45 West Second Street.

In Ashland, the ordinances were set in 8-point type leaded, 7 lines making an inch, and they were printed only 1 time.

Now, with the gain of 2 lines on every inch, as shown above, if the Maysville ordinance had been set in 8-point type as was used in Ashland, there would have been an increase of 41<sup>1</sup>/<sub>2</sub> inches in length, and the cost for printing it 6 times would have been \$277.68, or \$61.68 more than THE LEDGER and The Bulletin each "exorbitated" from the taxpayers of Maysville, as alleged by Mr. DODSON.

It is simple truth to tell that I myself suggested that the Maysville ordinance be set in 6-point leaded, for the reason, first, to make it easily read, and, secondly, to prevent it from stretching out over nearly two pages of the paper and entailing unnecessary cost on the city.

Nor has it been considered that both Maysville papers were obliged to issue supplements on each of the six days on which the ordinance appeared, thus necessitating considerable extra expense to them.

From all of which it would seem that the Secretary of the Street Paving Committee should be fortified with facts and not again let his voice go off at half cock, and that he owes it to the local newspapers, no less than to himself, to make a correction of his statement as publicly as he made his accusation.

After the above was put in type the following was received—

MAYSVILLE, KY., May 17th, 1906.  
Mr. Thomas A. Davis, Editor Public Ledger, Maysville, Ky.—Dear Sir: I am, as you state in your editorial of yesterday, averse to personal controversy, but I feel that the aforesaid editorial did me an injustice in accusing me of throwing graft in your teeth.

My statement in Council did not imply that the newspapers had worked a graft, and I think you will find that there is a vast amount of difference between the word "graft," as it is usually accepted, and the word "exorbitant," even in its broadest sense.

I wish to state plainly that I never once thought of accusing you or any one else of "graft," and am very sorry that you so took it. My motion in the City Council was "that the Street Paving Committee thought they had been charged an exorbitant price for the printing of the Street Paving Ordinance in the newspapers, I therefore move that in the future all public printing that is paid for out of the public fund be given to the lowest and best bidder," and I do not think that such a motion should have called forth such a tirade as you have heaped on us.

The City Council had established a precedent in the refunding of licenses, and Mr. DERSCH made the motion to refund the license, to which Mr. LEE added an amendment that after all the expense the city had been put to, such as special police, cleaning up the streets, &c., had been paid, then the balance to be refunded, and the gentlemen who gave the street fair paid these expenses, even to the extra police on circus day; and I would remind you that always heretofore the city has been out just the amount that this extra expense entailed.

Trusting that this controversy is at an end, and that neither one of us will have occasion to refer to it again, I am, very respectfully, Dr. J. A. DODSON.

[Mr. DODSON having disclaimed any intent of charging the newspapers with "graft," from the letter of Colonel FRIEL, and the facts set forth in the first part of this article, it strikes me that it is now in order for him to get right square on top of the water tank and to withdraw his assertion that they have charged an "exorbitant" price for their work, or even charged as much as would have been charged elsewhere. When Mr. DODSON does this simple act of justice, this "controversy" may be "at an end."—ED. LEDGER.]

Remember the name—Doan's—and take no substitute.

When your nerves are weak, when you are easily tired, when you feel all run down, then is the time you need a good strong tonic—Ayer's Sarsaparilla. Your doctor will tell you why it has such power over weak nerves, why it makes the blood rich, and why it gives courage and strength. Ask him if it is not just the medicine you need.

We have no secret! We possess the formulas of all our medicines. J. C. Ayer Co., Lowell, Mass.

The Blood is the Life  
The essential to health, beauty of form and appearance and the well-being of the individual. Impure, impeded, vitiated, depraved blood will not permit or sustain a healthy condition of the body. By the judicious and persistent use of

M'DAEE'S COMPOUND EXTRACT OF SARSAPARILLA

the indications of impure blood disappear, the dull eye becomes radiant, the step light, the pulse full and regular, the complexion replaced by glowing, rosy cheeks, the languor and tired feelings of the individual vanish, the mental and physical vigor returns and all danger of a premature death is averted. M'Daee's Sarsaparilla is for sale by
